INITIAL FITTING

For a professional fitting, please visit a tuxedo specialist, menswear retailer or tailor near you. Ask the specialist to complete the measurements in the box above. A professional fitting is the key to a tuxedo that fits well and feels great! Please complete your personal information.

SUBMIT MEASUREMENTS

Forward your measurements to the Tuxedos by Savvi location coordinating your event, or pass them on to the bride and groom. Be sure to include your down payment.

FINAL FITTING

Please allow time to try-on your tuxedo on your scheduled pick-up date, usually the day before the wedding. This is considered to be your final fitting and adjustments may be necessary. Please allow ample time so that we may provide the best fit for your garments. I.D. is required to pick-up your tuxedo. Most Tuxedos by Savvi retailers do not accept out-of-state checks for final payment. *Remember, accurate measurement from a professional initial fitting lead to a stress-free pick-up!*
